

Self-Regulatory Organizations; NYSE Chicago, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend Section FIFTH of Its Certificate of Incorporation

March 7, 2023.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on February 23, 2023, the NYSE Chicago, Inc. (“NYSE Chicago” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to (a) amend Section FIFTH of its certificate of incorporation to provide that the board of directors of its ultimate parent or that board’s compensation committee may fix the compensation of the board of directors of the Exchange, and (b) make certain clarifying, technical and conforming changes to the certificate of incorporation. The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the

places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to (a) amend Section FIFTH of the Second Amended and Restated Certificate of Incorporation of the Exchange (“Certificate”) to provide that the board of directors of its ultimate parent, Intercontinental Exchange, Inc. (“ICE,” and its board of directors, the “ICE Board”), or the compensation committee of the ICE Board (the “ICE Compensation Committee”) may fix the compensation of the Board of Directors of the Exchange (the “Exchange Board”), and (b) make certain clarifying, technical and conforming changes to the Certificate.

The changes described herein would become operative upon the Certificate becoming effective pursuant to its filing with the Secretary of State of the State of Delaware.

Proposed Amendment to Section FIFTH

Currently, the sole stockholder of the Exchange, NYSE Chicago Holdings, Inc. (“NYSE Chicago Holdings”), has the authority to fix the compensation of all directors for services to the Exchange.⁴ The Exchange is wholly owned by NYSE Chicago Holdings, which is wholly owned by NYSE Group, Inc. (“NYSE Group”). NYSE Group is wholly owned by NYSE Holdings LLC, which is a wholly owned subsidiary of Intercontinental Exchange Holdings, Inc. Intercontinental Exchange Holdings, Inc. is in turn wholly owned by ICE, a public company listed on the New York Stock Exchange LLC (“NYSE”).⁵

⁴ See Section FIFTH(c) of the Certificate.

⁵ See Exchange Act Release No. 83635 (July 13, 2018), 83 FR 34182 (July 19, 2018) (SR-CHX-2018-004) (Notice of Filing of Amendment Nos. 2 and 3 and Order Granting Accelerated Approval of a Proposed Rule Change, as Modified by Amendments Nos. 1, 2, and 3 Thereto, in Connection With a Proposed Transaction Involving CHX Holdings, Inc. and the Intercontinental Exchange, Inc.).

The proposed change would move the responsibility to fix Exchange director compensation from NYSE Chicago Holdings to the ICE Board or the ICE Compensation Committee. To do so, the Exchange proposes amending Section FIFTH of the Certificate as follows:

- The Exchange proposes to add the following sentence to the end of Section FIFTH(a):

Notwithstanding anything herein to the contrary, as set forth below, the Board of Directors of Intercontinental Exchange, Inc. (“ICE”) or the compensation committee thereof shall have the authority to fix the compensation of directors of the Corporation.

- The Exchange proposes to amend Section FIFTH(c) to read as follows (proposed additions italicized, proposed deletions in brackets):

(c) Compensation. The Board of Directors of ICE or the compensation committee thereof shall have the authority to fix the compensation of directors of the Corporation. The directors of the Corporation may be paid their expenses, if any, of attendance at each meeting of the Board of Directors of the Corporation and may be paid a fixed sum for attendance at each meeting of the Board of Directors of the Corporation or a stated salary as director (which amounts may be paid in cash or such other form as the Board of Directors of ICE or the compensation committee thereof may from time to time authorize). No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor.[The stockholder shall have authority to fix compensation of all directors for services to the Corporation as directors, officers or otherwise.]

As a result of the proposed change, compensation for Exchange Board members would be fixed by a body that is required to have at least a majority of its members be independent. Currently, the board of directors of NYSE Chicago Holdings is not required to be independent.⁶

If the ICE Board fixed the compensation of the Exchange Board, the decision would be made by a body that was required to have at least a majority of its members be independent.⁷ The requirement is in accordance with NYSE listing requirements, which require that listed companies have a majority of independent directors.⁸

If the ICE Compensation Committee fixed the Exchange Board compensation,⁹

The bylaws of ICE require that the members of the ICE Board take into consideration the effect that ICE's actions would have on the ability of the Exchange to carry out its responsibility under Exchange Act. See the Ninth Amended and Restated Bylaws of Intercontinental Exchange, Inc. ("ICE Bylaws"), Article III, Section 3.14. ⁹ Pursuant to its Charter, the Compensation Committee of the ICE Board is charged with, among other things, reviewing and approving compensation for the members of the board of directors of any ICE subsidiary, which includes the Exchange. See Charter of the Compensation Committee of the Board of Directors of ICE, at https://s2.q4cdn.com/154085107/files/doc_downloads/governance_docs/2022/Intercontin

compensation decisions would be made by a body that is made up of independent members. As a company listed on the NYSE, ICE is required to have a compensation committee that is composed entirely of independent directors that satisfy the additional independence requirements specific to compensation committee members.¹⁰

The proposed rule text is more comprehensive than the provision it would replace, since it would provide that directors may be paid their expenses for attending board meetings and that they may receive compensation on a per-meeting basis or as a salary, clarify the form of compensation that may be granted, and note that the payment does not preclude a director from serving the Exchange in another capacity.¹¹

The Exchange operates as a separate self-regulatory organization and has rules, membership rosters and listings distinct from the rules, membership rosters and, where applicable, listings of its affiliates the NYSE, NYSE American LLC, NYSE Arca, Inc., and NYSE National, Inc. (collectively with the Exchange, the “NYSE Group Exchanges”). At the same time, however, the Exchange believes it is important for each of the NYSE Group

¹¹ The provision would be consistent with Article II, Section 14 of the Second Amended and Restated Bylaws of NYSE Chicago, Inc., which states that “[t]he directors may be paid their reasonable expenses, if any, of attendance at each meeting of the Board of Directors and at each meeting of a committee of the Board of Directors of which they are members.” Under the Delaware General Corporation Law (“DGCL”), the terms of the certificate of incorporation of a corporation supersede any inconsistent bylaw provisions. See DGCL Section 109(b); see also *Sinchareonkul v. Fahnmemann*, 2015 WL 292314, at *6 (Del.Ch., 2015) (stating that (“[w]hen evaluating corporate action for legal compliance, a court examines whether the action contravenes the entity-specific corporate contract. The components of that contract form a hierarchy, comprising from top to bottom (i) the Delaware General Corporation Law (the ‘DGCL’), (ii) the certificate of incorporation, and (iii) the bylaws. Each of the lower components of the contractual hierarchy must conform to the higher components.”)).

Exchanges to have a consistent approach to corporate governance in certain matters, to simplify complexity and create greater consistency among the NYSE Group Exchanges.¹² To that end, each of the NYSE Group Exchanges is proposing a substantially similar change to its governing documents.¹³

The proposed amendment is based on Article III, Section 3.13 (Compensation of Directors) of the ICE Bylaws.¹⁴

Additional Proposed Amendments

The Exchange proposes to make the following non-substantive technical and conforming changes to the Certificate:¹⁵

- Throughout the Certificate, change “Second Amended and Restated Certificate of Incorporation” to “Third Amended and Restated Certificate of Incorporation.”
- Throughout the Certificate, update “Chicago Stock Exchange, Inc.” to “NYSE Chicago, Inc.”¹⁶
- Move the definition of “Corporation” from the second paragraph to the first paragraph.
- In the third paragraph, add “Second” in front of “Amended and Restated Certificate of Incorporation.”

Presently, three different entities fix the compensation of the boards of directors of the NYSE Group Exchanges: NYSE Group fixes the compensation of the directors of the NYSE, NYSE American LLC, and NYSE National, Inc.; NYSE Chicago Holdings, Inc. fixes the compensation of the directors of NYSE Chicago; and the board of directors of NYSE Arca, Inc. fixes its own compensation.

- Update the date in the signature line.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Exchange Act,¹⁷ in general, and furthers the objectives of Section 6(b)(1)¹⁸ in particular, in that it enables the Exchange to be so organized as to have the capacity to be able to carry out the purposes of the Exchange Act and to comply, and to enforce compliance by its exchange members and persons associated with its exchange members, with the provisions of the Exchange Act, the rules and regulations thereunder, and the rules of the Exchange. The Exchange also believes that the proposed rule change is consistent with Section 6(b)(5) of the Exchange Act,¹⁹ in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that the proposed change would allow the Exchange to be so organized as to have the capacity to carry out the purposes of the Exchange Act and comply with the provisions of the Exchange Act by its members and persons associated with members, because the Exchange Board would no longer have its compensation fixed by a body whose members are not subject to independence requirements. The Exchange believes that it is more

¹⁹ 15 U.S.C. 78f(b)(5).

advisable to have compensation determinations made by a body that is required to have at least a majority of its members be independent, like the ICE Board or ICE Compensation Committee. Otherwise, the compensation could be fixed by a body that is made up of employees or persons related to the Exchange. For the same reason, the Exchange believes that the change would contribute to the orderly operation of the Exchange and would promote the maintenance of a fair and orderly market, the protection of investors and the protection of the public interest.

Indeed, the change would be consistent with prior practice, as when the New York Stock Exchange, Inc. combined with Archipelago Holdings, Inc. under NYSE Group in 2006, NYSE Group was publicly traded, required to have an independent board of directors, and subject to an independence policy.²⁰ That changed when NYSE Group combined with Euronext N.V. After that combination, NYSE Euronext, the publicly traded parent company, had an independent board of directors subject to an independence policy, and the board of directors of NYSE Group, which became a subsidiary of NYSE Euronext, did not.²¹ When ICE acquired NYSE Euronext, the requirement to have a majority of independent directors moved to ICE.²²

²⁰ See Securities Exchange Act Release No. 53382 (February 27, 2006), 71 FR 11251 (March 6, 2006) (SR-NYSE-2005-77) (Order Granting Approval of Proposed Rule Change and Amendment Nos. 1, 3, and 5 Thereto and Notice of Filing and Order Granting Accelerated Approval to Amendment Nos. 6 and 8 Relating to the NYSE's Business Combination With Archipelago Holdings, Inc.). The NYSE Group was expected to fix the compensation of the Exchange Board through a compensation committee. *Id.* at 11256 (“It is expected that, upon completion of the Merger, the NYSE Group board of directors will have [a] . . . compensation committee”) and 11257 (“[T]he board of directors of New York Stock Exchange LLC is not expected to have its own committees and that any necessary functions with respect to . . . compensation . . . will be performed by the relevant committee[] of the NYSE Group board of directors”). Having ICE, a public company, or the ICE Compensation Committee, which is required to be made up of independent directors, fix Exchange Board compensation would be consistent with this practice.

²¹ Securities Exchange Act Release No. 55293 (February 14, 2007), 72 FR 8033 (February 22, 2007) (SR-NYSE-2006-120) (Order Granting Approval of Proposed Rule Change and Notice of Filing and Order Granting Accelerated Approval to Amendment No. 1 Regarding the Proposed Combination Between NYSE Group, Inc. and Euronext N.V.). See also Exhibit 5E to SR-NYSE-2006-120, Section 3.2 (deleting the independence requirements for the NYSE Group board of directors).

²² See *supra* note 7.

The Exchange believes that, because at least a majority of the members of the ICE Board and all of the ICE Compensation Committee must be independent, there is no substantial likelihood of a potential conflict of interest. Indeed, the Exchange believes that the proposal lessens the potential for conflicts of interest by eliminating the fixing of compensation by an entity that is not subject to any independence requirements. Further, the governing documents of ICE require that the members of the ICE Board take into consideration the effect that ICE's actions — including actions by the ICE Board or ICE Compensation Committee — would have on the ability of the Exchange “to carry out [its] responsibilities under the Exchange Act” and “to engage in conduct that fosters and does not interfere with the ability of the Exchange[] . . . to remove impediments to and perfect the mechanisms of a free and open market in securities and a U.S. national securities market system; and . . . to protect investors and the public interest.”²³ For the foregoing reasons, the Exchange believes that the proposed change would allow the Exchange to be so organized as to have the capacity to carry out the purposes of the Exchange Act and comply with the provisions of the Exchange Act by its members and persons associated with members, and would contribute to the orderly operation of the Exchange and would promote the maintenance of a fair and orderly market, the protection of investors and the protection of the public interest.

Moreover, the Exchange believes that the proposal would promote greater consistency in the compensation philosophy and director compensation structure across affiliated exchanges, thereby promoting the maintenance of a fair and orderly markets, the protection of investors and the public interest. As noted above, the other NYSE Group Exchanges are filing similar proposed changes to their governing documents. By locating the authority to fix compensation in the hands of the ICE Board or the ICE Compensation Committee, the proposed change would permit

²³ See ICE Bylaws, Article III, Section 3.14 (a). The Exchange has adopted a rule prohibiting the listing of affiliate securities and setting forth additional reporting requirements. See Rule 28 (Additional Requirements for Listed Securities Issued by Intercontinental Exchange, Inc. or its Affiliates).

compensation for each board of directors of an NYSE Group Exchange to be set centrally and with greater uniformity and consistency across affiliated exchanges. The Exchange believes that such conformity would streamline the NYSE Group Exchanges' corporate processes and create more equivalent compensation processes among them, to the benefit of both investors and the public interest. The proposal also reflects the fact that, no matter the size or role of the relevant NYSE Group Exchange, every NYSE Group Exchange board of directors must manage its business while considering the government of the exchange as an "exchange" within the meaning of the Exchange Act.²⁴

The Exchange believes that the more comprehensive provision would remove impediments to and perfect the mechanism of a free and open market, as it would make the provision relating to director compensation more comprehensive and transparent for market participants, making it so that they can more easily navigate and understand the governing documents. As noted, the proposed text is more comprehensive than the provision it would replace and would set forth additional detail regarding the compensation that directors may receive, such as whether expenses for attending board meetings may be paid, whether directors may receive compensation on a per-meeting basis or as a salary, and what form of compensation may be granted, and would clarify that payment does not preclude a director from serving the Exchange in another capacity. The Exchange believes that the greater additional detail would add transparency and clarity to the Exchange's governing documents and would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and

²⁴ See Second Amended and Restated Bylaws of NYSE Chicago, Inc., Article II, Section 1 (Powers) and Article IX, Section 1 (Management of the Corporation); Thirteenth Amended and Restated Operating Agreement of NYSE, Article II, Section 2.03(k); Twelfth Amended and Restated Operating Agreement of NYSE American, Inc., Article II, Section 2.03(k) (Board); Bylaws of NYSE Arca, Inc., Article III, Section 3.01 (Powers); and Seventh Amended and Restated By-laws of NYSE National, Inc., Article III, Section 3.1 (Powers) and Article X, Section 10.1 (Management of the Exchange).

in fact would benefit from increased transparency and clarity, thereby reducing potential confusion.

Finally, the proposed non-substantive technical and conforming changes would remove impediments to and perfect the mechanism of a free and open market by ensuring that persons subject to the Exchange's jurisdiction, regulators, and the investing public can more easily navigate and understand the governing documents. The proposed non-substantive amendments also would not be inconsistent with the public interest and the protection of investors because investors will not be harmed and in fact would benefit from increased transparency and clarity, thereby reducing potential confusion.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Exchange Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with the corporate governance of the Exchange.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)²⁷ of the Act to determine whether the proposed rule change should be approved or disapproved.
